## INTRODUCTORY OFFER

**Vivian Mevorah:** Vivian has competed in both Classical Dressage and Western Dressage. She won the California Western Dressage 2014 Third Level Amateur Championship, a USDF Bronze Medal, and a USDF Master's Challenge Award at the FEI Level on her Dutch Warmblood gelding, Reveler. She received her Certificate of Completion for attending the WDAA Train The Trainers Clinic™. Vivian is now training and showing her BLM mustang in Western Dressage. She has been giving clinics in California and Arizona. Vivian wants to introduce Western Dressage to more riders, and help them understand the benefits of this type of training.

### Learn Western Dressage Principles & Gaits, & Why Western Dressage Should be Part of Your Training Program

#### Participating Riders:

- Riders who want to learn more about western dressage will have fun learning the principles of western dressage.
- Riders who plan to show will work on tests of choice. (individual lessons)
- Lunch will be provided; snacks/soft drinks will be available during the workshop.

#### Auditors:

- The lessons will be presented via a speaker system so that the auditors will be able to hear the clinician speak to the rider clearly throughout the lesson. Riders will be riding in a covered arena.
- Lunch will be provided; snacks/soft drinks will be available during the workshop.

#### Saturday Evening Information Presentation:

- For those who audit or ride in the Western Dressage Clinic, there will be a Saturday evening presentation/discussion about the principles of Western Dressage, and literature will be distributed and reviewed. All participants are urged to attend this event that is part of your registration. The presentation will be held in the dressage court at Cottonwood Farm at 6:00 pm - 7:00 pm. Soft drinks will be provided.

*Vivian is also the current Northern California Vice President of the California Western Dressage Association, and will be presenting information about competing in their High Point Program, and membership in WDAA and CAWDA.*
